

Dear Mqh family,

I got an email the other day that asked: Are you still smiling Fr. Smiley? I responded; I am still smiling because our God will give us victory.

I am overwhelmed by your concern of me and I really appreciate it. I received letters from you asking about my health and how my family in India is doing. As I have said in the past, I always love to be here at this moment and I also love to support you at this time of crisis. I wish I was able to contact each of you individually and wish you my prayers. So instead, I am taking our parish picture directory and I'm praying for all the persons from one page per day along with my common prayers. You are remembered in my prayers.

19-day prayer for healing

The bible gives us examples of how God uses unfortunate situations to bring about his will. For example, in Genesis 50, Joseph had been sold into slavery. He was falsely accused by his master's wife, thrown into prison, and left there to rot. From that position Joseph rose to become Pharaoh's right-hand man. Later when he confronted his brothers who had sold him into slavery, he had the perspective to say in verse 20 ***"You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives."***

As it was with Joseph, so it is with the example of the man born blind. God is powerful enough to take this present suffering that may

last several years and use it to create greater blessing. It is only the perspective of many years that allows us to see the story of God working that out: ***“This happened, this sickness, this uncertainty, present fear happened so that the work of God might be displayed in our life.”***

I would like to share with you the **miraculous healing prayer** so that you can use it daily. Let us pray for one another.

Miraculous Healing Prayer

Miraculous Jesus, we thank you for your healing love. You healed many. I open my mind and heart believing in your miraculous healing power. Every breath I take, every morning I wake, I live under your power. I ask you to touch me now with that same power. Heal me with the power of your unconditional love. Rebuild me for your kingdom. Restore me to full health in mind and body so that I may serve you for the rest of my life.

(Jesus, I trust in thee 3x's)
